1 A " " following a place name indicates that the place is coextensive with a MCD. A " " indicates that the place is also a false MCD. In both cases, the MCD name is shown only when it differs from the place name.

2 A " " following a VID code indicates an actual voting district. Its absence indicates that the VID is a pseudo voting district or no information is available.

3 A " " following a block number indicates that the block number is repeated elsewhere in the block.
